with Max & Jenn

YOU CAN MAKE A *FINE-ART-PRINT* OUT OF ANY SCRAP PAPER THAT IS NEEDLESSLY RESTING IN YOUR POCKET.

Excess paper junk can accumulate on your person for months, resulting in a bulging wallet, or a purse that looks like the inside of an exploded public library.

Max Lupo and Jenn Guerin can alleviate all of your paper related ills with their community outreach performance, *"Make Your Own Junk - O - Types with Max and Jenn"*.
